

The second edition of Nexus Luxembourg, titled "*The International Tech Pulse*", will take place in Luxembourg City on **17-18 June, 2025**. Nexus Luxembourg goes beyond the traditional conference format to become a pivotal event, fostering a new era of innovation and technological collaboration in the heart of Europe. Nexus Luxembourg also serves as a showcase for Luxembourg's tech and innovation ecosystem, featuring numerous public and private initiatives.

- As part of Nexus Luxembourg, the Ministry of Foreign and European Affairs, Defense, Development Cooperation, and Foreign Trade, along with the Luxembourg Chamber of Commerce, are pleased to invite tech companies from around the globe to participate in the event.

**Focus areas: Artificial Intelligence, Quantum, Fintech, Cybersecurity, Mobility, Healthtech**

**Selection process:**

Applications from companies interested in exhibiting at Nexus Luxembourg and aligning with the event's focus will be invited to submit their candidature until **February 7, 2025**. A committee of experts will review the profiles, and selected companies will be notified. Selected companies will be connected with Nexus Luxembourg to plan their participation and will be onboarded by the Luxembourg Trade & Invest partners for the delegation pre-programme.

**Our offer for selected tech companies:**

- **A one-day booth** with your company logo in the Startup Hive;
- **Two exhibitor tickets** for the event;
- **Inclusion of your company name** in the programme, floor plan, website, newsletters, and matchmaking application;
- Participation in the **delegation pre-programme** & the **GO International Business Meetings**;
- Participation in the **pitching sessions**.

**Programme:**

- **16 June - Pre-programme** featuring onsite visits to explore Luxembourg's innovation & startup ecosystem;
- **17 or 18 June - Stand at Nexus Luxembourg & participation in the GO International Business Meetings.**
